# LAGUNA WOODS GOLF CART TRAIL GUIDE

---

In response to numerous requests from the more than 1,600 golf cart and golf car registered owners in Laguna Woods Village, your Community Civic Association has compiled instructions on how to navigate about the community based on the following trip origin and destination information:

***Trip Origin: Gates 7, 8, 9, 10, 11 and 14***

## **Destination: Willow Tree Shopping Center (Vons, City Hall)**

Using authorized golf cart crossings between Gate 11 and Gate 10 and between Gate 14 and Gate 7, enter the golf cart path just south of Gate 7. Follow the path to the crossing at Gate 12. After making sure traffic on Moulton has come to a complete stop, cross Moulton through Gate 12 and drive past the putting green and paddle tennis courts, then down to the Lutheran Church. Make sure you have your activated ID card before pushing the button to open the gate, so you can get through the gate on your return trip. Cross El Toro at the traffic signal and follow the golf cart signs to enter the Willow Tree Shopping Center.

**Note:** If you are driving a golf car (neighborhood electric vehicle), you may not use the golf cart path on the south side of El Toro but must drive through the St. Nicholas Church parking lot and use the back motor vehicle entry to the shopping center. Of course, all golf cars (NEVS) must have California license plates and can only be operated by licensed drivers with proper insurance.

## **Destination: Community Center in the Town Centre**

Shortly after entering the golf cart path near Gate 7, make a sharp right turn down the gentle slope that leads directly into the Town Centre and the three-story Laguna Woods Village Administration Building. Park in the designated golf cart parking spaces at the rear of the building. You also have access to the other businesses located in the Town Centre.

## **Destination: Home Depot Shopping Center**

From the Town Centre, cross El Toro at the Home Depot traffic signal and proceed to any of the stores in the Home Depot Shopping Center.

## **Destination: Longs Drug Store Shopping Center**

---

Take the route to the Lutheran Church crossing, but continue down the cart path to the tunnel under El Toro Road. Cross El Toro through the tunnel or from Gate 5 to Gate 1 and proceed to the golf cart gate located at the southeast corner of the parking lot adjacent to the Laguna Woods Village Library and the Historical Society. With an activated identification card, pass through the gate and proceed to Longs Drug Store and the businesses in that area.

## **Destination: Garden Center 2, Maintenance Office and Warehouse, cycling bins, Broadband head end building, RV Storage Lot 2, and Equestrian Center**

---

From the Willow Tree Shopping Center, cross Moulton Parkway at the Via Campo Verde traffic light and proceed to one or more of these destinations.

***Trip Origin: Gates 1, 2, 3 and 4***

## **Destination: Willow Tree Shopping Center**

---

Cross El Toro Road from Gate 1 to Gate 5 or through the tunnel under El Toro Road and proceed to the 27-hole golf course. Follow the golf cart path that takes you along the El Toro Road wall to the Lutheran Church gate. Cross El Toro at the traffic light and follow the instructions in (1) above.

## **Destination: Administration Building in the Town Centre**

---

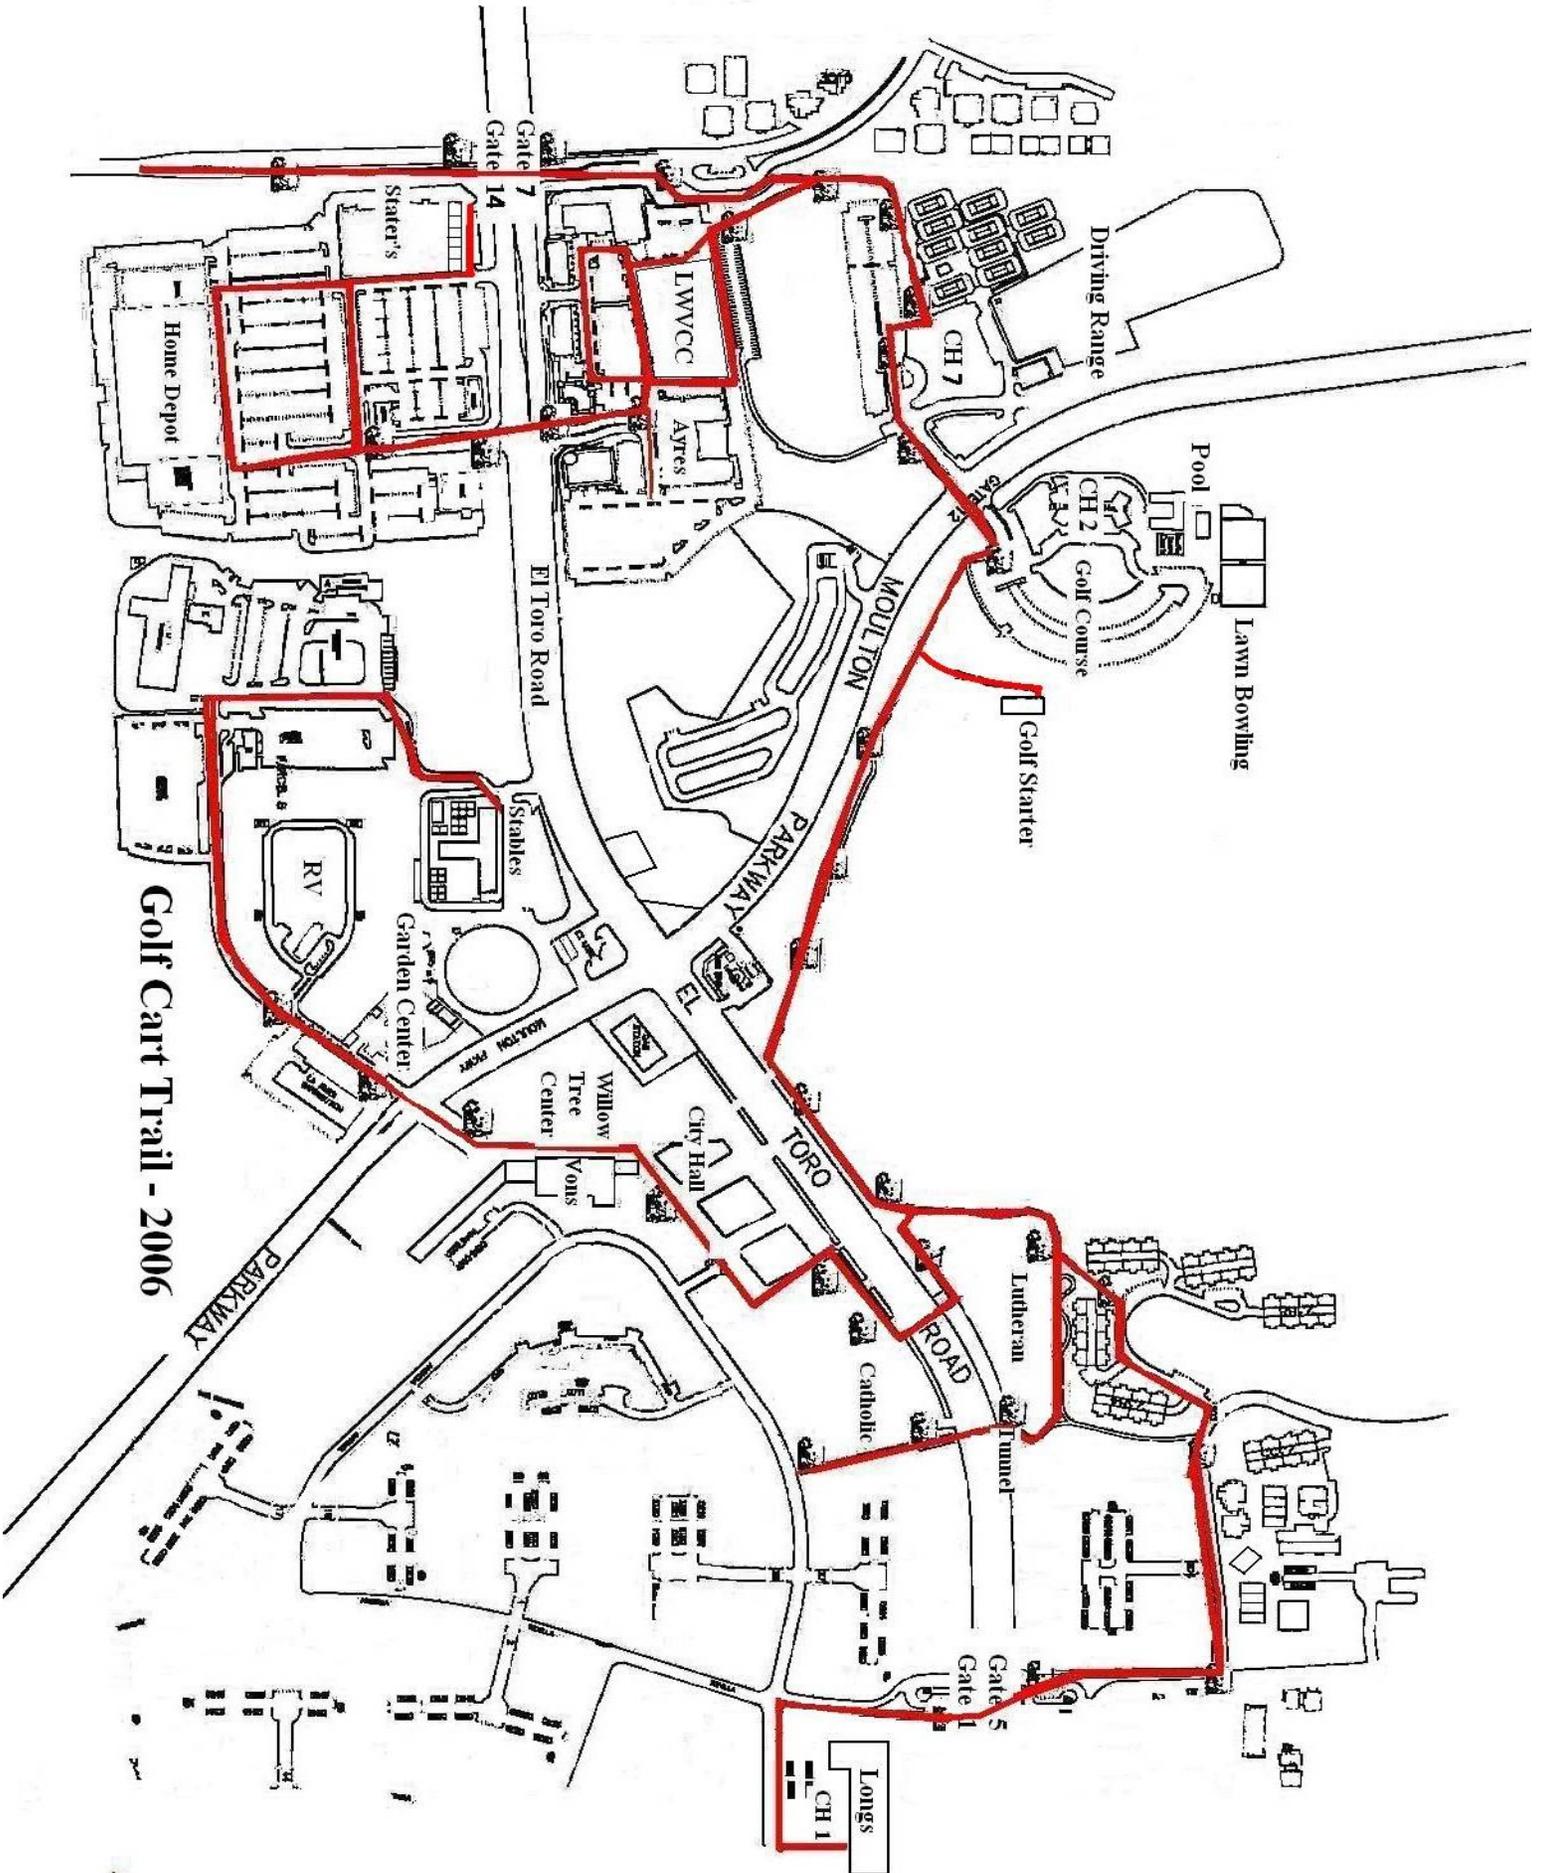

Proceed past the Lutheran Church, the large putting green and paddle tennis courts to Gate 12. Cross Moulton and proceed past Clubhouse 7 and the tennis courts up to the turnoff leading down to the Town Centre.

***Trip Origin: Gates 5 and 6***

---

Proceed to the 27-hole golf course and access the golf cart path closest to El Toro Road. All destinations enumerated above are accessible from Gate 5 and 6 manors. The attached trail map will help you visualize the narrative trip origin and destination instructions.
